Class History

This little ditty begins September 2, 1952, when forty pupils were to become Freshmen at W.H.S. This class was the first class to graduate from the new elementary school. They were all scared to death at some of the horrible things that the kids had told them would happen. Soon after Initiation, they got accustomed to the routine of classes, and entered in the activities. To help guide them through the first year, they chose Miss Ruth Blaze as their sponsor. To lead them through the year, the class officers were elected as follows: President, Judy Seales; Vice-President, Kay Ford; Secretary-Treasurer, Dick Hall; Reporter, Patsy Hankins; and Student Council Representative, Joanne Dippel. The Freshmen were represented on the Wave Staff by Gary Howard. The class chose Wilma Wood and Gary Howard as Freshman King and Queen candidates for Homecoming. Wilma was elected Homecoming Queen for 1952. The float won first prize in the Homecoming parade. Rita Clayton was elected candidate for the F.H.A. Formal Dance Queen. Judy Seales, Sherry Treat and Deanne Simpson were elected Freshman-Sophomore cheerleaders.

On September 2, 1953, only thirty-four members returned to continue walking down the road of learning. To begin the Sophomore year the following officers were chosen: President, Joanne Dippel; Vice President, Dick Hall; Secretary-Treasurer, Sherry Treat; and Student Council Representative, Rolland Love. Mr. David Cooper was chosen to be our sponsor. The Homecoming King and Queen candidates were Don Hermes and Donna Wilson. Donna was elected Homecoming Queen of 1953. The float won fourth place in the Homecoming parade, Catherine Turner was the F.H.A. Formal Dance Queen candidate. Bob Edmondson was chosen as Sophomore class editor on the Wave Staff. Joyce Mayes and Sharon Dodd were elected Freshman-Sophomore cheerleaders and Judy Seales and Sherry Treat were elected as Varsity cheerleaders.

With heavy feet and light heads, thirty-seven members returned in September, 1954, to start the Junior year. The sponsors were Miss Alberta Terney and Mr. Donald Reside. The class officers were as follows: President, Lawrence Duewer; Vice President, Robert Manning; Secretary, Wanda Sanders; Treasurer, Carolyn Randolph; Reporter, Rita Clayton; and Student Council Representative, Loren Thomas. Candidates for Homecoming King and Queen were Marilyn Seymour and Richard Hall. The float won third prize in the Homecoming parade. Rita Clayton was named Junior class editor on the Wave Staff. Judy Seales and Sherry Treat were elected Varsity cheerleaders. Connie Station was F.H.A. Formal Dance Queen candidate. The highlight of the Junior year was raising money to give the Seniors a banquet and prom they wouldn't forget. The theme was "Dancing in the Dark" with music furnished by Bob's Blue Notes. The prom was a big success with everyone having a very nice time.

On the last lap of the long mile of schooling, thirty-six pupils were to be members of the Senior class. The class sponsors were Mrs. Charlene Hobbie and Mrs. Lillian Drury. The officers for this year were: President, Wanda Sanders; Vice President, Lawrence Duewer; Secretary, Carolyn Randolph; Treasurer Rita Clayton; Reporter, Maurice Robertson; and Student Council Representative, Loren Thomas. Homecoming King and Queen candidates were Rita Clayton and Lawrence Duewer. Rita was chosen Homecoming Queen for 1955. The float won third prize in the Homecoming parade. The Senior play cast worked very hard to put on the play, "Tiger House" directed by Mrs. Lucille Edwards. Joanne Dippel was F.H.A. Formal Dance Queen candidate. Sherry Treat and Judy Seales were elected as Varsity cheerleaders. All the members of the class worked very hard doing many things and sponsoring many activities to make money for the Senior trip. Joanne Dippel won the D.A.R. award. The banquet and Prom was held in honor of the Seniors on May 11, 1956. The theme being "Ebb tide" with music furnished by Lou Hahn's orchestra. The long-awaited final moment was May 29, 1956. Graduation was a sad occasion as classmates said good-bye for a long time and in a few moments it was all over, for these boys and girls who had worked and played together were starting a new life and looking forward to a new future. The Seniors enjoyed their trip to the Ozarks and with this, the Seniors are graduated now with many memories of Ol' Waverly High School.

Senior Class Will

Class of 1955-56

We, the Class of 1956, in thirty-three individual and distinct parts, being about to pass out of this sphere of education, in full possession of a crammed mind, well-trained memory, and almost superhuman understanding, do make and publish this, our last will and testament, hereby revoking and making void all former wills of promises by us at any time heretofore made, or mayhap, carelessly spoken one to the other, as the thoughtless wish of an idle hour.

SECTION I----To the faculty we leave the following:

1. We leave Mr. Brown a new set of office girls.

2. We leave Arnold a typewriter of her own.

3. We leave Mr. Laugharn our best wishes.

4. We leave Miss Hageman a new and better chorus.

5. We leave Mrs. Bivin a quiet Business Machines Class.

6. We leave Mrs. Drury a smarier chemistry class.

7. We leave Mr. Hein a larger band.

8. We leave Mrs. Hobble a new appendix.

9. We leave Mr. Hobble the student teachers.

10. We leave Coach Spalding a peaceful P. E. class.

11. We leave Mr. Lawton an alarm clock to get up on time.

12. We leave Mrs. Edwards a quiet 8th hour English class.

13. We leave Mr. Twenhafel a secretary to do the FFA typing.

14. We leave Mr. Miller a new pair of sunglasses.

15. We leave Petey some firecrackers to make more noise.

SECTION II---To the under-classmen, we leave various and assorted items:

1. To the Juniors, we leave our ability to have quiet class meetings.

2. To the Sophomores, we leave our ability to roam the halls without excuses.

All the students or groups receiving a superior rating will proceed to state where they will compete with all the other schools in the State. This year's State Contest is being held at Charleston May 4, 1956. Luck to you kids!

BUSINESS MACHINES CLASS. Wanda has really been doing a lot of adding on her bookkeeping machine. When will JoAnn notice her Marchant is turned around backwards? Barbara doesn't seem to understand her problem. Rita and Wilma are doing O.K.

The bookkeeping class doesn't mind Mrs. Bivin being late to class.

It can't be said that boys don't like English at Waverly High. This is an all-boys' English class.

Typing I Class seem to be busy on their assignment. Mrs. Bivin doesn't think Joe is doing his correctly.

THE ADVISOR COMMENTS:

What a relief when the 1956 WAVE was completed and submitted to the publisher, and all the money raised!! The latter is really a long, and difficult task to be accomplished by the "faithful few".

To the Editorial Staff members who have spent hours planning and arranging the contents of this book, and seeing the job finished, I wish to express my sincere appreciation of their faithful and untiring efforts. It was quite an undertaking to assume the responsibility of editor as late as the beginning of the second semester, but Shirley Heriford, with the able assistance of Sharon Dodd, did this very thing. These girls worked together faithfully to the end and have edited this yearbook.

To the Business Staff, without whom we could not have financed this yearbook, I also express my appreciation for their loyalty and faithfulness, especially Joe Laugharn, assistant business manager, who never missed operating the popcorn machine at any of the ball games. I might also

add that Joe Laugharn and Gary Richardson have worked on the Wave Staff three years and their names were placed on the Honor Plaque with the editors and business manager, for their three years of faithful service. Four of the staff members have served on the Wave Staff two years: Bill Gibson, Lee Marr, Allen Keltner, and Rita Clayton.

To present to you readers a picture of the cost of your yearbook you have just finished reading, I should like to give a few figures with which the staff and I have had to work to produce this book. The actual cost, including publication and photography, averaged \$7.60 per book. The subscribers were charged \$3.50, which left \$4.10 on each book the staff has had to raise from other sources. So, to each of the staff members, the faculty, and parents who supported our financial projects, I express my appreciation for your co-operation and contribution in any way that made possible this 1956 WAVE.
